john 7:6

"If We Are The Body"

It's crowded in worship today
As she slips in trying to fade into the faces
The girl's teasing laughter is carrying farther than they know
Farther than they know

Chorus:

**But if we are the body
Why aren't His arms reaching?
Why aren't His hands healing?
Why aren't His words teaching?
And if we are the body
Why aren't His feet going?
Why is His love not showing them there is a way?
There is a way**

A traveler is far away from home
He sheds his coat and quietly sinks into the back row
The weight of their judgemental glances
Tells him that his chances are better out on the road

Chorus

Jesus payed much too high a price
For us to pick and choose who should come
And we are the body of Christ

Chorus 2x

Jesus is the way

“Fields of Grace”

There's a place that I love to run and play

There's a place that I sing new songs of praise

Dancing with my Father God in fields of Grace (2x)

There's a place that I lose myself within

There's a place I find myself again

Dancin' with my Father God in fields of Grace (2x)

There's a place where religion finally dies

There's a place that I lose my selfish pride

Dancin with my Father God in fields of Grace (4x)

I love my Father, my Father loves me

I dance for my Father, my Father sings over me

and nothing can take that away from me

There's a place where religion finally dies

There's a place that I lose my selfish pride

Dancin with my Father God in fields of Grace (4x)

“Blessed be the Lord”

Blessed Be Your Name
In the land that is plentiful
Where Your streams of abundance flow
Blessed be Your name

Blessed Be Your name
When I'm found in the desert place
Though I walk through the wilderness
Blessed Be Your name

Every blessing You pour out
I'll turn back to praise
When the darkness closes in, Lord
Still I will say

Chorus:

Blessed be the name of the Lord
Blessed be Your name
Blessed be the name of the Lord
Blessed be Your glorious name

Blessed be your name
When the sun's shining down on me
When the world's 'all as it should be'
Blessed be Your name

Blessed be Your name
On the road marked with suffering
Though there's pain in the offering
Blessed be Your name

Every blessing You pour out
I'll turn back to praise
When the darkness closes in, Lord
Still I will say

Chorus

You give and take away
You give and take away
My heart will choose to say
Lord, blessed be Your name

Every blessing You pour out
I'll turn back to praise
When the darkness closes in, Lord
Still I will say

Chorus 2x

You give and take away
You give and take away
My heart will choose to say
Lord, blessed be Your name

"What If His People Prayed"

What if the armies of the Lord
Picked up and dusted off their swords
Vowed to set the captives free
And not let Satan have one more

What if the church for heaven's sake
Finally stepped up to the plate
Took and stand upon God's promise
And stormed hell's rusty gates

Chorus:

**What if His people prayed
And those who bear His name
Would humbly seek His face
And turn from their own way**

And what would happen if we prayed
For those raised up to lead the way
Then maybe kids in school could pray
And unborn children see light of day

What if the life that we pursue
Came from a hunger for the truth
What if the family turned to Jesus
Stopped asking Oprah what to do

Chorus

He said that they would hear
His promise has been made
He's answered loud and clear, Yeah
If only we would pray

If My people called by My name
If they'll humble themselves and pray
If My people called by My name
If they'll humble themselves and pray

Chorus

He said that they would hear
His promise has been made
He's answered loud and clear, Yeah

If only we would pray
What if His people prayed

If My people called by My name
If they'll humble themselves and pray
If My people called by My name

“I’m Not Cool”

Some people tell me that I look kind of funny
my nose is red and the braces don't work at all
they say the clothes I wear are all out of fashion
I don't fit in and should be shopping at a different mall

I studied classical piano
when I could've been playing guitar
I used to drive an el Camino
and I'm not even sure it's car, no

Chorus:

**I'm no cool but that's okay
my god loves me anyway
I'm not cool but that's alright
I'm still precious in his sight
I'm not cool but I don't care
how I'm supposed to do my hair
I'm not cool but that's okay
my god loves me anyway**

It doesn't matter if I know all the lingo
he doesn't mind if I'm not hanging with a certain crowd
some people still believe in building an image
but I am finding that's a worry I can do without
I used to wish I was athletic
but football was never my game
I made some friends in mathematics
but no one can spell my last name

Chorus

He says that I am a one of a kind
and I don't have to try to be somebody else
he believes in me and says I'm free to be myself
I can be myself

Chorus

"Here I Go Again"

Father, hear my prayer
I need the perfect words
Words that he will hear
And know they're straight from You
I don't know what to say
I only know it hurts
To see my only friend slowly fade away

So maybe this time I'll speak the words of life
With Your fire in my eyes
But that old familiar fear is tearing at my words
What am I so afraid of?

Chorus:

**'Cause here I go again
Talkin 'bout the rain
And mulling over things that won't live past today
And as I dance around the truth
Time is not his friend
This might be my last chance to tell him
That You love Him
But here I go again, here I go again**

Lord, You love him so, You gave Your only Son
If he will just believe; he will never die
But how then will he know what he has never heard
Lord he has never seen mirrored in my life

Chorus 2x

This might be my last chance to tell him
That You love him
This might be my last chance to tell him
That You love him
You love him, You love him

What Am I so afraid
What am I so afraid
What am I so afraid of?
How then will he know
What he has never heard

“Amazing Grace”

Through many dangers, toils and snares
I have already come;
'Tis Grace that brought me safe thus far
and Grace will lead me home.

Amazing Grace, how sweet the sound,
That saved a wretch like me.
I once was lost but now am found,
Was blind, but now I see.

When we've been here ten thousand years
Bright shining as the sun.
We've no less days to sing God's praise
Than when we've first begun. (2x)

We've no less days to sing God's praise
Than when we've first begun.

“Here I Am”

There's a place where I can go
Where the angels hear me pray
I wanna change; yes I need your touch
I'm waiting here for you
And I fall at your feet
I'll give it all until the day we meet

Here I am
Ready to give up my life for the one
Here I am
Ready to pour out my heart for the Son
Here I am

Here I come to your threshing floor
Where the angels fear to tread
I'm waiting here for the king of love
And to hold the hands that bled
And I fall at your feet
I'll give it all until the day we meet

Here I am
Ready to give up my life for the one
Here I am
Ready to pour out my heart for the Son
Here I am
Ready to give up my life for the one
Here I am
Ready to pour out my heart for the Son
Here I am

Here I am ready to give up my life for you
Here I am for the son
Here I am, here I am here I am

“Glory to You”

Great god of might, great god of wonders
Giver of life, giver of grace
Creator of everything before us
You had me in mind before the stars were in place

*Your love surpasses all by far
We're praising You for all you are*

**The reason we're here and the reason we sing
Is to thank you oh god and give praise to the king
We lift up our hands and we lift up our eyes and sing
You are holy**

Father of love. father of mercy
What have I done that you would think about me?
You've taken my shame, you've taken my sorrow
Replaced them with life and life abundantly

*Your love surpasses all by far
We're praising You for all you are*

**The reason we're here and the reason we sing
Is to thank you oh god and give praise to the king
We lift up our hands and we lift up our eyes and sing
You are holy**

**The reason we're here and the reason we sing
Is to thank you oh god and give praise to the king
We lift up our hearts and we lift up our minds
And pray that all we do will bring glory to you**

You can see inside my heart
You can see inside my mind
So strip away the things
That leave me deaf and blind

**The reason we're here and the reason we sing
Is to thank you oh god and give praise to the king
We lift up our hands and we lift up our eyes and sing
You are holy**

**The reason we're here and the reason we sing
Is to thank you oh god and give praise to the king
We lift up our hearts and we lift up our minds
And pray that all we do will bring glory to you**

“I Am Free”

Through You the blind will see
Through You the mute will sing
Through you the dead will rise
Through You all hearts will praise
Through You the darkness flees
Through You my hearts scream I am free

Chorus:

I am free to run (I am free to run)
I am free to dance (I am free to dance)
I am free to live for You (I am free to live for You)
I am free (I am free)
I am free (I am free)
I am free (I am free)

Through You the blind will see
Through You the mute will sing
Through you the dead will rise
Through You all hearts will praise
Through You the darkness flees
Through You my hearts scream I am free

Chorus 3x

“Our God Saves”

In the name of the Father
In the name of the Son
In the name of the Spirit
Lord we've come

We're gathered together
To lift up Your name
To call on our Savior
To fall on Your grace

PreChorus:

Hear the joyful sound of our offering
As your saints bow down, as your people sing
We will rise with You, lifted on Your wings
And the world will see that

Chorus:

Our God saves, our God saves
There is hope in Your name

Mourning turns to songs of praise
Our God saves, our God saves, yeah

“How Great Thou Art”

Oh Lord my God, when I in awesome wonder
Consider all the worlds Thy hands have made
I see the stars, I hear the rolling thunder
Thy pow'r throughout the universe displayed

[Chorus]

**Then sings my soul my Savior God to Thee
How great Thou art, how great Thou art
Then sings my soul my Savior God to Thee
How great Thou art, how great Thou art**

And when I think that God, His Son not sparing
Sent Him to die, I scarce can take it in
That on the cross my burden gladly bearing
He bled and died to take away my sin

Chorus 2x

How Great Thou Art

“Next Thing You Know”

I remember when I was thirteen
I saw a picture on my TV screen
The Reverend Billy Graham and the people sing “Just As I Am”
And I felt like You were talking to me

And the whole world seemed to fade away
Until I heard my mother say
“Son, are you ok? Do you wanna pray?”
And that became the hour I first believed

Chorus:

**And next thing you know
I’m high and flying, next thing you know
My heart is in Your hands, next thing you know
There is no denying, next thing you know
I’m a brand new man**

Well I wish I could say I always stayed right there
And I did until my freshman year
But the world was pulling me along way from thirteen
And You were calling but I didn’t hear

Still I knew there was something more
So one day my knees hit the dorm room floor
I said “If You’re there and if You really care
Come and talk to me like I was thirteen”

Chorus:

I Got a picture in my head today
Of how Heaven might look someday
I see the people there so I pull up a chair
And their stories they blow me away

‘Cause I can see it on every face
Their evidence of grace
And as I listen it occurs to me
Everybody’s got their own thirteen

(2X’s)

So what’s your story about His glory?
You gotta find your place in the history of grace

Chorus: (2X’s)
